Re: Weyerhaeuser Chlor-Alkali Plant; Longview, Washington

Dear Ms Tonel:

Thank you for the US EPA and other correspondence material on this site you have provided at my request.

As we discussed by telephone, I have taken Nadine Romero's place as Ecology's "site manager" for the Weyerhaeuser Longview Chlor-Alkali Plant clean-up. Please feel free to contact me if you have questions regarding Ecology's oversight and/or involvement in this project.

Sincerely,

Cris Matthews
Regional Hydrogeologist
Solid Waste and Financial Assistance Program
